Sir,

Subject - Acquisition of portion of survey Nos 57 and 58 Sampigehalli village, required for constructing the Municipal Vidyarthinilayam in Sydney Circle, Bangalore.

With reference to Government notification No L 1767 Ml 24-48-6 dated 28th August 1948 authorising me to hear objections under Section 5 (A) Land acquisition act on the above subject, I have the honour to state that only one objection petition has been received from Sri Aswathanaranayya s/o D K Chikkananjundappa minor by guardian his eldest brother D N Pillappa, D. K & Company, behind Girls' School, Doddaballapur for the acquisition of portion of S No 58 and stated as follows -

He states that the land now in contemplation of acquisition is a very valuable land In the entire site his father has constructed a stone revetted well and put up structures on the site for the purpose of the family business, at a high cost such as planting machinery for power looms, weaving etc , Further he states that the proposed acquisition would deprive his family business

The petitioners objections are not tenable on the following grounds -

1 This Municipality has proposed to acquire only 4 guntas of land ~~xx~~ i.e , (less than one gunta) out of the total extent of a g
1-14 of S No 58 as shown in yellow colour in the enclosed plan

2 The stone revetted well and the structures in question do not come within the area of 4 guntas of land proposed for acquisition

2

-2-

The draft final declaration statements have been prepared and sent herewith for favour of arranging publication in the Mysore Gazette.

The estimated cost of acquisition amounting to Rs 78/- will be met out of Municipal funds in the current year's budget.

I request that orders of Government may kindly be obtained for the said acquisition authorising me to take orders for the acquisition under Section 7 Land acquisition Act
